Notice:

The School Districts report Salary and Travel to the Department of Audits and Accounts prior to the School District's financial audit report completion. If significant errors are disclosed during the financial audit process, an audit finding will be included in the individual School District audit report disclosing the amount of the error. Significant errors in reporting senior management compensation (Superintendent and Associate/Deputy Superintendents) will be noted by individual within the audit finding and salary amounts for these senior management individuals will be updated on the listing provided.

Superintendents, State Agency Heads and Members of the Georgia General Assembly were provided this salary and travel data on a CD. The CDs will not be updated and reissued to reflect changes as noted above.

Members of the General Assembly
of the State of Georgia

Ladies and Gentlemen:

As required by the Official Code of Georgia 50-6-27, we have compiled the accompanying listing of Personal Services and Travel Expense paid to personnel of State Agencies, Boards, Authorities, Commissions, Units of the University System of Georgia, Georgia Military College, and Local Boards of Education for the year ended June 30, 2004, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of summaries and schedules, information that is the representation of management. We have not audited or reviewed the accompanying listing of Personal Services and Travel Expense information and, accordingly, do not express an opinion or any other form of assurance on this information.

Respectfully Submitted,

Russell W. Hinton
State Auditor
